Crafting Surfaces, Inspiring Living

Established in 2015 after the success of Livon Ceramic, Oriflex Vitrified Pvt. Ltd. has emerged as a trusted name in the tile industry. With roots dating back to our first venture, Livon Ceramic, we have grown stronger through dedication, innovation, and advanced production capacity. Today, we offer 600+ designs in Glazed Vitrified, Porcelain, and large-format slab tiles, crafted to complement diverse spaces like homes, hotels, malls, and more.

scaling style to spaces.

6 0 0 x 1 2 0 0 m m

luxury surfaces

GLOSSY FINISH

Where brilliance meets durability — glossy finish tiles that brighten up every surface with timeless charm.

VELVET FINISH

Velvet smoothness with a hint of shine, crafted to make your interiors divine.

CARVING FINISH

A perfect blend of shine and texture, carving finish tiles add elegance to every surface. Crafted to reflect beauty with a touch of sophistication.

PUNCH FINISH

Experience surfaces that play with light and shadow, where every detail feels alive with depth. Matt elegance meets textured perfection.

style with benefits

Our tiles are more than just beautiful surfaces—they bring practical advantages to every space. Scratch-resistant, easy to maintain, and designed for long-lasting durability, they combine everyday convenience with timeless elegance. With Oriflex Vitrified, you don't just choose style you enjoy the lasting benefits that come with it.
